**Subject: INTERMEDIATION – Pre-qualification for procurement**

Dear Luciano,

Reference is made to INTERMEDIATION's submission for procurement pre-qualification. We also refer to several email exchanges on the matter.

In the interest of formalizing our email correspondence, UNHCR would like to thank you for the cooperation provided during the evaluation process and appreciates the effort your agency made to be compliant with UNHCR Partners Procurement Guidelines.

After completing the evaluation, it was determined that INTERMEDIATION's procurement policies and procedures meet the requirements for procurement pre-qualification.

I herewith confirm that UNHCR grants INTERMEDIATION **Pre-qualified for Procurement status with multi-country scope** to carry out procurement activities for UNHCR funded programs. This is valid from **28 May 2021 to 31 December 2025** when another evaluation shall be conducted if requested.

Yours Sincerely,

Mr. Eskalem Bogale

Chief of Section, Field Procurement
